

QUESTIONS & ANSWERS FOR SOLICITATION #19N10219R0010
FOR WASTE DISPOSAL AND RECYCLING CONTRACT

SN	QUESTIONS	ANSWERS	REMARKS
1	Is the bid an open bid for companies in Nigeria only?	This solicitation is not restricted, it is open to all interested offerors.	
2	Is the contract going to be a fixed price contract for the subsequent years regardless of the government rates that are charged changes or not?	Yes, this solicitation will result in a firm fixed price contract for both the base year and all options.	See Section 1(A) of the solicitation for more details.
3	Does the bidder has to be registered with www.Sam.gov ?	Yes, as this requirement is more than \$30,000, SAM registration is required to be eligible for award.	
4	Please we need the complete street address for the location for disposing the recyclables.	All recyclables will be disposed with Chanja Datti, the street address is Plot #813, Cadestral Zone B02, Adjacent United Missionary Church (UMCA), Durunmi District Phase II Abuja, Nigeria.	
5	Can you share what items are being recycled?	The recyclables items include plastics, glasses, metals, carboards, rubber, shreds, newspapers and magazines.	
6	Are the recyclables together or separated?	All the recyclables will be together in separate waste bins in each compound.	

7	Do you have a statement of work (SOW)	A scope of work is included in the solicitation as issued.	Please see exhibit A in the solicitation documents as issued.
8	Is there any more information to share?	The solicitation issued in FedBizOpps and the Embassy website contains everything you need to know about this requirement.	Please see https://ng.usembassy.gov/embassy-consulate/business-opportunities/ or FBO @ https://beta.sam.gov/opp/713f32f18d1cd38b5754ba7c7954c8be/view?keywords=abuja&sort=-relevance&index=opp&is_active=true&page=1
9	Can a U. S. based company subcontracts the work if they are able to collaborate with a local company?	This solicitation is not restricted from subcontracting.	See 652.242-73 (b) - Authorization and Performance (Aug. 1999), under Addendum to Contract Clauses.
10	Please indicate which compounds have septic tanks and the ones connected directly to the sewer line.	This information has been added to the revised scope of work document as attached.	Please see the column for septic tank.
11	Can we have the capacities of the septic tanks?	This information has been added to the revised scope of work document as attached.	Please see the column for septic tank size.
